[Replace the Bottom Rail - shadebuilder.com](#)

There are several ways to find a replacement bottom rail for an above ground pool. The first method is to call all the local pool stores in your area and see if they sell above ground pools. Stores that sell pools may have replacement parts on hand, in which case you can go to the store and try to match up your bottom rails with something they have.

Most stores that sell above ground pools can AGP bottom rim(rail) replacement - Trouble Free Pool I have acquired a 24' above ground pool. After taking everything down to move it to the new location I noticed that some of the bottom rail pieces were rusted through. I went to the PB that installed the pool and they no longer keep that item in stock since the pool is several years old. I have everything else ready except I really want to Replacement Parts | The Pool Factory - Above Ground Pools

[Rusty Swimming Pool Top Ledges Or Top Rails | Above Ground ...](#)

Rusty Swimming Pool Top Ledges Or Top Rails. Rusted or corroded swimming pool top rails and parts often become a problem for many pool owners eventually. The rust is caused by nature's elements like moisture and sun, or from corrosive chemicals like chlorine, salt, acid etc. Over time the effects take their toll on the coatings protecting the metal parts of the average above ground pool. But
