Power vs. Force by David R. Hawkins - Goodreads
This is the most significant book I have read in a long time. Power Vs. Force explains the connection between individual levels of consciousness and human behavior. This is important because every decision we make and every action we take is driven by our individual level of consciousness. Dr. David

This book can be a difficult read at first, I recommend reading Truth vs Falsehood before attempting to grasp the deep concepts of this book. If the reader understands science, then this book might be easy to understand. Truth vs Falsehood touches on a bit of science to provide the reader with the basis of the concept behind consciousness and relativity to human behaviour.

With this standard, Power vs. Force is the most influential book I've read in years. My awareness is different since I've read it, and my behaviour reflects a new empowerment. I recognise my own tendencies to use force, and even better, I am more aware of alternatives that I could choose, to reclaim power instead.
