A Five Step Approach to Effective Demand Planning

The final step in demand planning implementation should be a demand review meeting, led by the demand manager or the S&OP manager. Supply Chain is the only department that can be regarded

as being neutral with regards to Sales, Operations, and Finance and hence is in the best position to chair demand review meetings.

Who Should Own S OP Demand Planning.com

Supply Chain Whilst many businesses delegate overall ownership of S&OP to the Supply Chain function, this is often problematic as the intent is for S&OP to be perceived and applied as an overall enterprise planning approach, not simply a Supply Chain-focused demand and supply balancing process. Supply Chain ownership tends to signal the latter and this can reduce Commercial engagement in
