[How to Dance the Tango: 15 Steps \(with Pictures\) - wikiHow](#)

The tango requires balance and the willingness to learn. At first there will be a heck of a learning curve, but trust that it will go away. The steps will come. You'll step on a few toes, but they'll heal. If you keep with it, you'll only get better. The tango is not a dance that can be learned in one evening or with one lesson. That is what makes the tango so much fun! There is so much to learn -- it can take you your whole lifetime to learn and understand the tango. But don't
