Landlord and Tenant legal definition of Landlord and Tenant

In this respect landlord and tenant law differs from the law regarding leases. In a landlord and tenant relationship, the parties are often referred to as lessor (landlord) and lessee (tenant). Indeed, a lease is a contract that creates the same relationship as exists between a landlord and tenant: the lessor owns property and allows the lessee to use it for a fee. However, the law of leases

Natural and legal rights - Wikipedia

Natural and legal rights are two types of rights. Natural rights are those that are not dependent on the laws or customs of any particular culture or government, and so are universal and inalienable (they cannot be repealed or restrained by human laws). Legal rights are those bestowed onto a person by a given legal system (they can be modified, repealed, and restrained by human laws).
