[11 Full Size Modern Loft Beds for Adults | Apartment Therapy](#)

The listing states that you will need a drill to put this together (and may have to drill a few secondary holes), but this was the only loft bed I could find that is available in queen size. It's also available in different heights, so you

can pick the one that works best with your ceiling, and it can hold up to 1,000 pounds, much higher than some of the metal options.
