The Farmall Super A-1 was built by International Harvester in 1954 in Chicago, Illinois, USA and Louisville, Kentucky, USA. Contents[show] Model History For Company history see Main article: International Harvester For high-clearance model see: McCormick Farmall Super AV-1 For industrial version **About McCormick**

The first McCormick Farmall tractor was assembled on September 13, 1949. By 1952, decisions were made that IHGB should enter the construction equipment market. They started by building the BTD-6 crawler. When production ceased in 1975, 22,300 of these units had been built. As the mechanization of world agriculture expands, there was a need to produce a new small tractor and begun production of

#### **International Harvester - Wikipedia**

The International Harvester Company (abbreviated first IHC and later IH) was a United States manufacturer of agricultural machinery, construction equipment, trucks, automobiles, and household and commercial products. Its reorganized successor, after spin-off of several of those businesses, is Navistar International. In 1902, J.P. Morgan merged the McCormick Harvesting Machine Company and
