policy makers, concerned citizens, and students of public
policy in mind. Striving to avoid technical language, the
author introduces a new paradigm that starts from the
commonality of human nature and the assumption that
public policy should be impartial.

Principles of Public Policy - Oxford Scholarship

A coherent public policy presupposes a moral code, and
involves all three of these subjects. The author's
philosophical position is described. Criteria for public
production are proposed. More generally, the proper role
of government and the limits to its responsibilities are
suggested.
