[3. Production Investment | Screen Tasmania](#)

Non-Tasmanian production companies may apply for investment in all categories apart from digital, interactive, and post-production, however you are encouraged to form a genuine partnership with a Tasmanian resident company, as projects involving Tasmanian production companies will be favoured over others.

[Regulatory instruments and investment behaviour ...](#)

Regulatory instruments have long been understood to have a powerful effect on investment, and part of the motivation for introducing higher powered regulatory regimes and contracts was to reduce incentives for inefficiency and

over-investment (gold plating) inherent in cost-plus regulatory schemes.

Microeconomics (ECS2601) 06 - Theory of the Firm ...

The theory of the firm, production technology and returns to scale can best be understood when mapped to the circular flow of goods and services, as shown in this presentation for the 4th unit for the UNISA ECS2601 course.
