Survival and Sustainability - Green Builder Media

As we consider the future of survival and sustainability, let's continue to think of buildings as an opportunity to impact more than just that building's occupants. Buildings can give back in terms of environmental impact upon construction and resource use, but also withstand storms and other disruptions, and can provide shelter and safe harbor within their communities. Joshua Gassman is a [Survival to Sustainability - events.r20.constantcontact.com](#)

A session designed specifically for women who have returned to work in the past 1 - 5 years. It will explore what it takes to create sustainable success as a working mother, looking at career and life planning and the communication strategies needed to succeed.
