[How to Get a Copy of Divorce Papers | Legalbeagle.com](#)

Before you set out to obtain a copy of divorce papers, determine whether you want a copy of the divorce decree or a divorce certificate. The former, a court decree, terminates the marriage and includes specific terms regarding the divorce, such as custody determinations and property division. A divorce certificate simply states the names of the spouses and the official ending date of the marriage.

The civil court where you filed your divorce keeps a copy of the divorce decree in its records, both electronic and hardcopy. By state law, the court is required to keep the decree on file for a minimum period of time, typically seven or 10 years. Your first step is to visit the clerk's office of this court, once you have verified the location of the decree with an online search. You will need identification as well as the case number; if you don't have the case number, the clerk may be able to help you find it. [how do i get a copy of my divorce papers? | Yahoo Answers](#)
